

Monday October 30th 2017

You:

- are exuberant about craft beer
- are ready, willing & able to live the good life in a vibrant coastal BC town
- thrive in a fast-paced, constantly changing environment
- are physically able to move sacs of grain and kegs
- are willing to stand on your feet for 8 hours a day
- can think critically about seemingly mundane tasks
- preferably hold a degree/diploma in Brewing and/or an applied science and have an aptitude for following instructions

You Will:

- brew
- run the filter
- package beer in kegs & bottles
- CIP brewing equipment;
- keep the cleanliness level of the brewery up to the standards of an exacting Belgian and his American co-pilot
- clean jockey boxes & pony pumps
- perform various maintenance tasks as instructed.

If asked to, you would have no problem:

- slogging beer at festivals
- lending a hand at the growler filling station
- helping with deliveries
- helping develop new and exciting beer recipes.

We:

- are a company of 18 enthusiastic craft beer lovers
- brew beer with an eye on quality and consistency
- live in a town of 20,000 people on the coast
- have a ton of brewing knowledge and experience to impart to the right person
